

To help us serve you better, here are some helpful hints

GARBAGE & RECYCLING CART PLACEMENT

Carts must be out by 6am or the night before your pickup day.

- Place cart no more than two feet from the street with the handles and wheels facing your home.
- Place carts at least three feet apart and away from obstructions like trees, mailboxes and cars.
- Keep lids closed if possible, and unhook any temporary bungee cords or lid tie-downs.
- In winter you need to shovel out area for your carts. PLEASE DO NOT put carts on or behind snowbanks.

PLEASE DO THIS

Please place your carts at least 3 feet from each other. Face towards curb or road.

DON'T DO THIS

Carts that are placed too close are difficult for our machinery to pickup.
